

AGREEMENT FOR TEMPORARY CONSTRUCTION WATER SERVICE

The contractor/developer indicated below ("Applicant") requests construction water service from Longs Peak Water District ("District") for the project/address listed below. It is the District's sole discretion to grant or deny this application. Upon approval, the District shall provide construction water under the terms listed below. The water will be for construction purposes only and not utilized for domestic use.

Terms:

1. The water service provided will be used for construction purposes only.
2. Applicant will notify District 48 hours in advance before the initiation of construction water service.
3. Applicant will notify District 48 hours in advance of final water usage
4. District will provide service from the hours of 8am until 3pm M-F. No water will be provided on the weekend. – (Special arrangements for water service outside these hours may be considered)
5. District staff will provide the appropriate metering device along with approved backflow prevention.
6. District staff will install and remove the device daily during this arrangement. Device will be installed at or before 8am and removed at 3pm daily.
7. At no time will the Applicant operate the fire hydrant.
8. If needed, this contract may be renewed weekly.

Rate:

Security Deposit	\$2,000.00 – (\$1,500.00 refunded at end of total project)
Set-up/Relocation Charges	\$300.00/hydrant
Weekly Service Charges	\$ 50.00/week M-F
Usage Charges	\$20.00/1000gallons

Applicant understands that the Security Deposit will be paid in advance of any services. Applicant is responsible for the meter and backflow assembly while in use. If any part of the meter or backflow device is damaged during this arrangement, the Applicant will forfeit the entire Security Deposit. The Set-up charge per hydrant will be a one-time charge for each hydrant used. Applicant will be billed monthly and have 15 days to pay. If not paid within 15 days, a \$50.00 late fee will be imposed. At that time, water service will be disconnected, and all past due amounts will need to be paid before water will be restored. Any special arrangements will be made with the General Manager.

*Special arrangements may be negotiated with the General Manager on a case by case basis. *
